

### DESCRIPTION

**Petrogulf EVO Trans Dexron V** is a high-performance automatic transmission fluid (ATF) designed to meet the demanding requirements of modern automatic transmissions. It provides excellent protection against wear and corrosion, ensuring a longer transmission life. It maintains consistent friction control for smooth and reliable shifting, even under extreme driving conditions.

### APPLICATIONS

- Ideal for high-performance and heavy-duty automatic transmissions due to its excellent wear protection and thermal stability.
- Provides improved performance in older GM vehicles wherever Dexron is specified.

### KEY FEATURES & BENEFITS

- The low viscosity formula helps improve fuel efficiency by reducing friction and drag within the transmission.
- Suitable for use in a wide range of vehicles, including those from North American, European, and Japanese manufacturers.
- Offers improved oxidation resistance, allowing for longer intervals between fluid changes.

### TYPICAL CHARACTERISTICS

PROPERTIES	TYPICAL VALUES
Kinematic Viscosity @40°C, mm <sup>2</sup> /s	33.2
Kinematic Viscosity @100°C, mm <sup>2</sup> /s	7.2
Viscosity Index	189
Brookfield Viscosity @ -40°C cP	15000
Density, @ 15°C Kg/L	0.850
Pour Point °C	-51
Flash Point, (COC), °C	214
Color Visual	Red

*\*These characteristics are typical of current production. Whilst future production will conform to Petrogulf specification, variations in these Characteristics may occur. The oil drain interval as specified by the engine manufacturer should be adhered to, particularly where indirect fuel Injection is used.*

PRODUCT GRADE	DEXRON V
PRODUCT CODE	30800060000

### Handling, Health and Safety

- In normal conditions of use, this lubricant presents no particular toxic hazard. All lubricants, of any kind should be handled with great care, particularly avoiding any contact with skin.
- Prevent any splashing, and keep away from combustible materials. Store under cover and away from any risk of pollution. Dispose off the used oil correctly; don't pour down drains, into watercourses or the soil.
- PetroGulf will not accept liability if the product is used other than in manner or with the precautions, or for the purpose specified. Before the product is used other than directed advice should be obtained from PetroGulf local office.
